

Giving Makes a Difference

Dear Friends,

In the last few weeks of each year, many of us take some time to think carefully about what to give, when to give, and how to complete the gifts we would like to make.

After you remember your own loved ones, we hope you will remember the Alliance Healthcare Foundation in your end-of-the-year giving.

Every year, the Alliance Healthcare Foundation supports the programs and services of The Villages Health System and Leesburg Regional Medical Center. Your hospital serves thousands of people each year – including your friends, neighbors and maybe even your own loved ones – helping them recover from debilitating and traumatic illnesses and injuries including cancer, heart disease and strokes.

Depending on your own unique circumstances, we can help you magnify the impact of your gift by helping you maximize tax savings and other special benefits. There are so many opportunities to shape lives with good testamentary planning.

We will give you a choice about how and where your gift can be used to make a difference (or if you prefer, we will use your gift carefully and cost effectively where it has the greatest impact). And because we want you to have the opportunity to be connected with the work we do, we will show you what has been made possible by gifts like yours.

Contact the Alliance Healthcare Foundation today by calling Ted Williams at 352-751-8819 or emailing twilliams@cfhalliance.org.

*Wishing you
all of the best in the
New Year!*

The Judds Concert

On October 15th The Judds brought their Last Encore Tour to Lake County to share memories and raise funds to benefit the programs of Leesburg Regional Medical Center and The Villages Health System.

Over 5,000 enthusiastic fans attended this very special event which was held at The Grand Oaks Resort, formerly The Florida Carriage Museum in Weirsdale, Florida.

Go for the Green Golf Tournament

The 14th annual 'Go for the Green' Golf Classic was held among the beautiful rolling hills of Mission Inn Resort & Club on Friday, September 16th, 2011.

Next year's event will be Friday, September 14th, 2012.

Wesley Carrick

Lake County resident Wesley Carrick recently pledged his fifth charitable gift annuity to the Alliance Healthcare Foundation and chose the Moffitt Cancer Center in The Villages in memory of his wife, Jackie.

Mr. Carrick said that he lives just a few miles away from The Villages Hospital and the Moffitt Cancer Center. He is confident that his Charitable Gift will help create a safe haven for patients and families who come to The Moffitt Cancer Center seeking care. "I can see that the Cancer Center needs this funding." He said. "I want to ensure that the residents in my community and those who visit the area receive competent, quality care."

Royal Palm Society Wall

On February 24th, the Alliance Healthcare Foundation unveiled the Royal Palm Society wall at Leesburg Regional Medical Center. A Royal Palm Society wall was also unveiled at The Villages Health System.

This wall represents generous hospital donors who have given to both Leesburg Regional Medical Center and The Villages Health System hospitals.
